The Christmas Baby Born in a Police State: Then and Now John W. & Nisha Whitehead “When the song of the angels is stilled, when the star in the sky is gone, when the kings and princes are home, when the shepherds are back with their flocks, the work of Christmas begins: to find the lost, to heal the broken, to feed the hungry, to release the prisoner, to rebuild the nations, to ...

The justice system needs to take rape more seriously. That

Among the consequences of war, the impact on the mental health of the civilian population is one of the most significant. Studies of the general population show a definite increase in the incidence and prevalence of mental disorders. Women are more affected than men. Other vulnerable groups are children, the elderly and the disabled. Prevalence rates are associated with the degree of ...

Wartime sexual violence - Wikipedia

Wartime sexual violence is rape or other forms of sexual violence committed by combatants during armed conflict, war, or military occupation often as spoils of war; but sometimes, particularly in ethnic conflict, the phenomenon has broader sociological motives. Wartime sexual violence may also include gang rape and rape with objects. A war crime, it is distinguished ...

Frontiers | Treating PTSD: A Review of Evidence-Based

“Rape victim” or “combat veteran” is not a diagnosis. Before commencing psychological treatment for PTSD, the provider must be assured that PTSD is primary. When the patient presents with multiple traumatic events, current re-experiencing symptoms will often point towards what we refer to as the “index trauma,” which will be the focus of psychological therapy.
